

## CONTENTS

Sodicity tolerance of jatropha ( <i>Jatropha curcas</i> L.) seedlings I. Rajpar, M. A. Kumbhar, J. H. Umarni, Zia-ul-hassan and A. A. Maitlo	93
Heritability and correlation studies of morpho-physiological traits for drought tolerance in spring wheat W. A. Jatoi, M. J. Baloch, M. B. Kumbhar and M. I. Keerio	100
Effect of nitrogen application rates on growth and yield of cotton varieties A. A. K. Baraich, A. H. K. Baraich, L. A. Jamali and A. U. Salarzi	115
Evaluation of stable wheat mutant lines for yield and yield associated traits K. A. Laghari, M. A. Sial, M. A. Arain, S. D. Khanzada and S. A. Channa	124
Heterosis of some agronomic characters in aromatic rice ( <i>Oryza sativa</i> L.) varieties and their F <sub>1</sub> hybrids under lowland and upland environments A. D. Jarwar, Q. D. Dela Cruz and G. S. Junejo	131
Antibacterial effects of leaves and root extract of <i>Calotropis procera</i> Linn. G. A. Mako, A. H. Memon, U. R. Mughal, A. J. Pirzado and S. A. Bhatti	141
Biology and feeding potential of predator, <i>Hippodamia convergens</i> Guir, (Coleoptera: Coccinellidae) on mustard aphid, <i>Lipaphis erysimi</i> (Kalt.) in laboratory M. K. Lohar, S. N. Khuhro, M. H. Lakho, G. A. Magsi and T. A. Khuhro	150
Effects of different tillage and fertilizer treatments on growth and yield components of maize S. Q. Memon, M. S. Mirjat, A. Q. Mughal and N. Amjad	160
Calibration of adjustable orifice semi-modules at bulgai distributary I. A. Shaikh, A. S. Chandio, M. A. Mangrio and N. Faryad	177
Impact of farmer field school training on farmers' knowledge and skills regarding recommended agro-ecological sound IPM practices in selected districts of Sindh A. A. Siddiqui, Z. A. Mirani and S. S. Bukhari	186
