

**CONTENTS**

Effects of organic and inorganic fertilization on rice crop performance, soil animal population and microbial diversity in organic and conventional soils N. Chhogyel, O. B. Zamora, B. M. Espiritu and Y. Bajgai	1
Saline water application at various growth stages of wheat: Effect on growth, yield and yield components S. M. Bhatti, I. Rajpar and N. B. Sial	2
Economic impact of macro and micro-nutrients management on okra production M. D. Solangi, S. A. Memon, U. A. Buriro and M. I. Keerio	3
Assessment of heterotic effects in F ₁ hybrids of cotton (<i>Gossypium hirsutum</i> L.) M. J. Baloch, P. Sial, Qurat-ul-Ain, B. T. Arain and M. A. Arain	4
Growth and yield response of mungbean varieties to various potassium levels M. Buriro, F. Hussain, G. H. Talpur, A. W. Gandahi and B. Buriro	5
Irrigation quality of underground water in district Multan N. Ahmed, M. A. Ali, M. K. Rashid, S. Noreen and B. Butt	6
Estimation of heterosis and heterobeltiosis for yield and fiber traits in F ₁ hybrids of upland cotton (<i>Gossypium hirsutum</i> L.) genotypes A. W. Baloch, A. M. Solangi, M. Baloch, G. M. Baloch and S. Abro	7
Allelopathic impact of sorghum and sunflower on germination and seedling growth of summer broadleaf weeds M. N. Kandhro, S. D. Tunio, I. Rajpar, Q. D. Chachar and A. W. Gandahi	8
Heterosis manifestation leading to hybrid development in upland cotton S. I. Mastungi and B. A. Ansari	9
Relationship between seepage and discharge for Kabul River in district Nowshera Adnan, T. A. Khan, K. Sheraz and M. Laghari	10
Effect of machinery traffic on some physico-characteristics of clay loam soil A. R. Shah, M. S. Mirjat and A. Q. Mughal	11
Impact assesement of sewerage drain on tubewell water quality using MT3D model Alvina Shabbir, M. Arshad, A. Shabbir, A. Shakoore and I. Ahmad	12
Evaluating water application efficiencies of surface irrigation methods at farmer's field M. A. Mangrio, M. S. Mirjat, N. Leghari, N. H. Zardari and I. A. Shaikh	13
Effect of temperature and total solids concentration on hydrogen production from rice waste A. Chaudhry, A. Sattar, Ji Changying, F. A. Chandio and A. Nasir	14
Evaluation of clinical and blood biochemical effects of dexamethasone in goat species S. Bughio, T. A. Qureshi, E. I. S. Daraghmah, M. Malhi and A. Tunio	15
