CONTENTS

Effect of water stress on some physiological traits of bread wheat genotypes M. A. Sial, S. M. Mangrio, H. Bux, A. W. Channa and M. Shaikh.....	1
Heterotic performance of F ₁ hybrids for phenological, yield, oil and protein traits of sunflower S. Depar, M. J. Baloch, M. B. Kumbhar and Q. D.Chachar	12
Evaluating changes in wheat genotypes caused by hydrogen peroxide during seed treatment and their involvement in salt tolerance M. Panhwar, M. I. Keerio and M. R. Roberts	23
Response of various cotton genotypes against sucking and bollworm complexes M. U. Asif, R. Muhammad, W. Akbar and M. Tofique.....	37
Movement of effluent discharge towards lateral drain under different impervious layers and water table depths A. Sarki, M. S. Mirjat, A. A. Siyal and H. R. Mangio	46
Effect of different irrigation methods on water use efficiency and yield of maize crop S. M. Kori, C. Soothar, A. L. Qureshi and S. H. Ashrafani	54
Influence of tillage practices on yield components and economic analysis of maize N. Leghari, A. R. Shah, W. Farhad and H. M. Hammad	66
Water delivery performance of secondary canals in terms of adequacy and water use efficiency in Sindh Pakistan M. U. Mirjat, M. A. Talpur, M. A. Mangrio and A. A. Tagar.....	74
An economic assessment of turmeric production in Punjab-Pakistan R. Saeed, A. Bashir, S. B. Khan, K. Bakhsh and M. Qasim	85
Linkages mechanism between research-extension-farmer in Balochistan: A policy paradigm A. A. Mengal, Z. D. Mirani, S. Habib and F. M. Baloch.....	100

Carcass yield and physico-chemical characteristics of Japanese quail meat F. N. Awan, A. H. Shah, A. H. Soomro, G. S. Barahm and S. G. Tunio.....	111
Conventional and molecular detection of plasmodium in humans S. N. Panhwar, A. Arijio, M. B. Bhutto, Z. I. Rajput and R. S. Buriro...	121
Qualitative and quantitative assessment of β -lactam antibiotic residues in unprocessed market milk in Lahore, Pakistan M. Husnain, A. Z. Durrani, J. A. Khan, M. Anwar and M. Avais.....	129
Utilization of biogas using portable biogas anaerobic digester in remote areas of Shikarpur and Sukkur districts: A case study A. N. Sanjrani, S. A. Shah, M. N. Sanjrani, S. A. Sheikh and M. Malhi	135
